\*\* Note all rates apply to single shift operation. Excess hours will be charged, as per schedule of rates

\*\* Note customer must obtain "all risks" insurance for the equipment and public liability insurance prior to equipment operation; specifically "certificate of insurance"

\*\* If machines are being used in Fort McMurray, rental rates will increase due to mechanic surcharge

\*\* All operated equipment does not include LOA, fuel or freight

\*\* Above machines are located in various different yards throughout Alberta; please call your sales representative for more information
